

## Technical Artist

 <b>Location</b>	Edinburgh, Scotland (UK Work Permit Required)
 <b>Duration</b>	6-month contract
 <b>Desired Start Date</b>	01/12/2020
 <b>Salary Range</b>	£20,000 to £25,000 per annum

### Position Summary

We are looking for a technical artist to join our team at 3FINERY LTD. You will work remotely in a small dynamic team across various technologies to develop 3D assets for outstanding cutting-edge products. You will be an early employee with high-growth potential of a 5-year EU and Innovate UK backed start-up that raised over £500,000 in pre-seed funding. You will be given the autonomy to design solutions creatively and follow through with implementation while collaborating closely with others while becoming an expert in advanced 3D modelling and animation techniques applied to Augmented Reality.

### Role and Responsibilities

- Design, prototype, model and animate 3D assets.
- Optimize run-time performance of animated 3D assets on mobile deployed apps.
- Assist the programming team with implementing art-related tools and features.
- Take part in implementing in-house and outsourced art assets.

### Required Skills

- Educated to degree level in a technical art related subject, and/or very strong portfolio demonstrating high technical artistic skill.
- Be able to demonstrate the implementation of game content, 3D assets and 3D animation accompanied and handled by coded logic.
- An excellent understanding of 3D hierarchical structures and transformation concepts.
- A good understanding of game state flow and logic.
- Adobe Photoshop and Illustrator.
- 3D Max, Maya or equivalent 3D packages.
- An excellent understanding of animation concepts.

### Desirable Skills

- Previous games industry experience.
- Excellent problem solving abilities.
- An excellent understanding of user interfaces.
- A good understanding of programming concepts and a willing to transfer this knowledge to graphics programming languages.

### Benefits We Offer

In return, we offer a great working environment where we support ambition, recognize achievement and offer a competitive pension scheme to our employees.

To apply for this opportunity, please send your resume and a cover letter to [careers@3finery.com](mailto:careers@3finery.com).
